

EPR Portal – Waste Management Registration Process

Step-by-Step User Guide

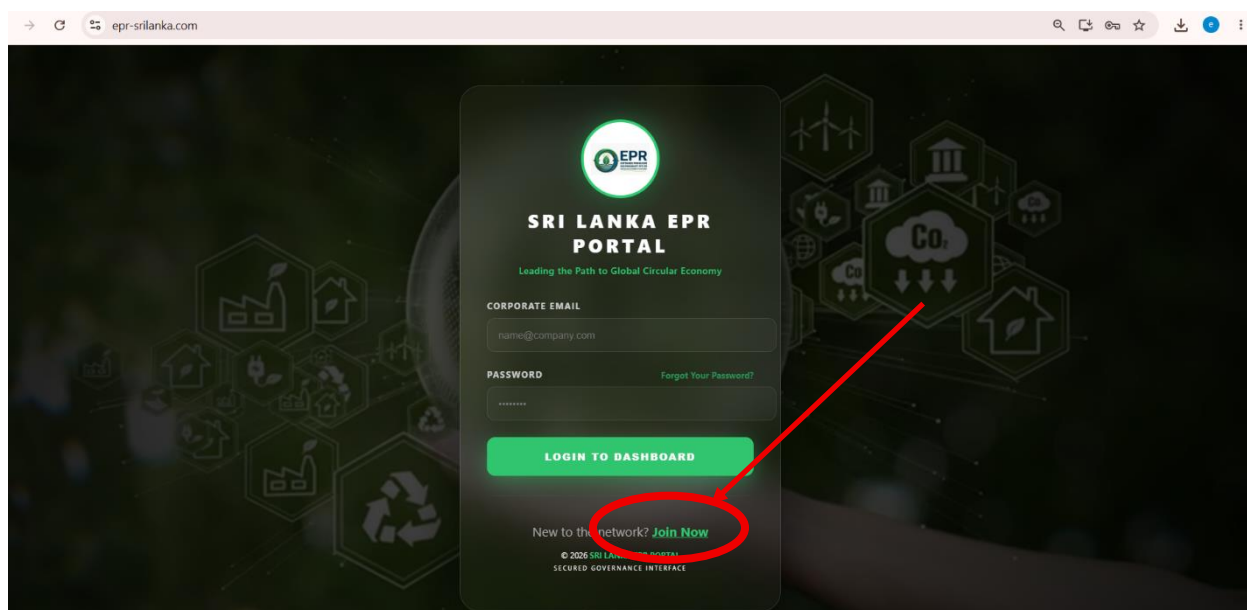

Step 1 – Access the EPR Portal

Open Google and search for “**epr-srilanka.com**” or “**eprs.lk**.” From the search results, select the Sri Lanka EPR Portal to access the system.

The image shows a Google search for "epr sri lanka". The first result is "epr-srilanka.com" with the title "Srilanka EPR Compliance Platform Operator". A red arrow points to this result. Below the search results, there is an "AI Overview" section. Another red arrow points to the "Srilanka EPR Portal" link in the website's navigation menu. The website's main content area features the text "EPR — The Digital Platform Powering Sri Lanka's Circular Economy" and a section titled "Why EPRS.LK?" with four bullet points: "Independent & transparent EPR platform", "Real-time material tracking", "Auditable compliance reporting", and "Nationwide collection network".

Step 2 – Join Now for Registration

Step 4 – Fill Register Form

Next, kindly complete the form under the Waste Management category step by step, filling in all the required details. (The complete form is attached below for your convenience).

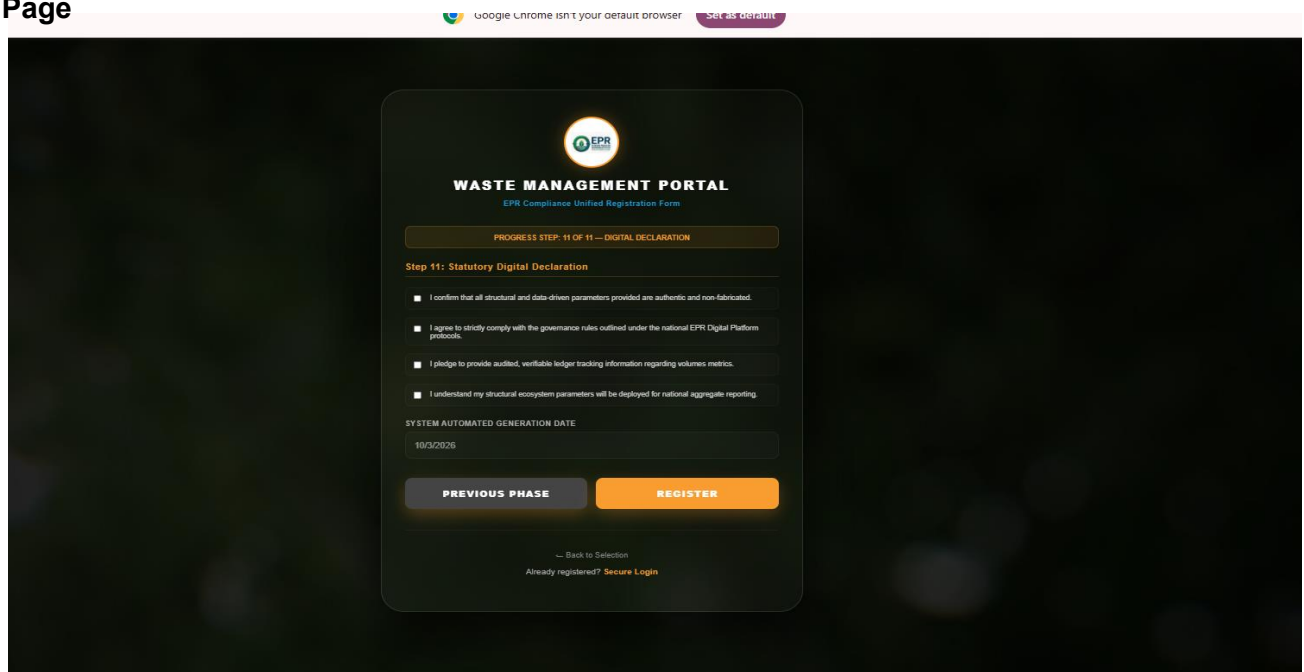

“The first section of the Waste Management form requires you to select your category. After making your selection, please proceed to complete all remaining sections. Finally, complete the Statutory Digital Declaration at the end to submit the form.”

1st page

The screenshot shows the 'WASTE MANAGEMENT PORTAL' interface. At the top, it says 'EPR Compliance Unified Registration Form'. Below this, a progress bar indicates 'PROGRESS STEP: 1 OF 11 - ENTITY TYPE SELECTION'. The main heading is 'Step 1: Entity Type Selection (Multi-Select Enabled)'. There are two tabs: 'Company Registration' (active) and 'Individual Registration'. Under 'Company Registration', there are checkboxes for various roles: Collector, Transporter, Recycler, Pyrolysis, Metal Refining, Thermal Destruction, Chemical Destruction, and Waste-to-Energy. A large orange 'NEXT PHASE' button is at the bottom. Below the button, there are links: 'Back to Selection' and 'Already registered? Secure Login'.

Last Page

The screenshot shows the 'WASTE MANAGEMENT PORTAL' interface. At the top, it says 'EPR Compliance Unified Registration Form'. Below this, a progress bar indicates 'PROGRESS STEP: 11 OF 11 - DIGITAL DECLARATION'. The main heading is 'Step 11: Statutory Digital Declaration'. There are four checkboxes for declarations: 'I confirm that all structural and data-driven parameters provided are authentic and non-fabricated.', 'I agree to strictly comply with the governance rules outlined under the national EPR Digital Platform protocols.', 'I pledge to provide audited, verifiable ledger tracking information regarding volumes metrics.', and 'I understand my structural ecosystem parameters will be deployed for national aggregate reporting.' Below these, there is a field for 'SYSTEM AUTOMATED GENERATION DATE' showing '10/3/2025'. At the bottom, there are two buttons: 'PREVIOUS PHASE' and 'REGISTER'. Below the buttons, there are links: 'Back to Selection' and 'Already registered? Secure Login'.

Step 5 – Registration and Confirmation

Then, click the '**Register**' button to complete your system registration. Following this, the admin will review and approve your application to finalize your registration in the **EPR system**. You will receive a **confirmation email** once the process is complete.
